

## Padlet and Popplet Ideas for ELs

For our next set of resources for teachers of MLLs/ELs, we would like to share two very useful tools that support language development (L, S, R, W): *Padlet and Popplet!* You may be using these already, but below are links that may give you additional ideas for implementation with language learners.

### 1. How to Use Padlet with MLLs/ELs (Tutorial)
